

Information Security Management Systems Policy

We are committed to protecting the confidentiality, integrity, and availability of information at Insignis Technology through proper information systems. We declare to understand our information security responsibilities and abide by the laws, regulations, and company policies and procedures. We promote continual improvement in running our information management system to minimize impact of information security risks to our operations.

DISCLAIMER: All product, product specifications, and data are subject to change without notice to improve reliability, function or design, or otherwise. The information provided herein is correct to the best of Insignis Technology Corporation's knowledge. No liability for any errors, facts or opinions is accepted. Customers must satisfy themselves as to the suitability of this product for their application. No responsibility for any loss as a result of any person placing reliance on any material contained herein will be accepted.
