

Declaration of PFAS Content

Insignis Technology Corporation, Inc. (“Insignis”) certifies that all the products listed below do not intentionally use or contain the following hazardous substances

Per and Poly Fluoroalkyl substances (PFAS) are man-made Carbon and Fluorine based chemicals that have been used in a wide range of consumer and industrial products due to their resistance to grease, oil, water, and heat. PFAS include PFOA, PFOS, PTFE, FKM, PVDF. PFAS have various applications in electronic products such as protective/water-resistant coatings and do not easily degrade. They are persistent and bio-accumulative in nature, and so are referred to as forever chemicals.

Applicable Product Part or Model Number: (Please list the relevant part numbers here)

Product Part or Model Number
* applies to all Insignis DRAM and Flash Memory part #s
